CSR IN RCCG
THINK GLOBAL, ACT LOCAL:
THE CITY OF DAVID MODEL
ICCRA 2019
Pastor Idowu Iluyomade, SATGO CSR
What Is Christian Social Responsibility (CSR)?

*Christian Social Responsibility* is a faith-based obligation to meet societal needs through the demonstration of love that positively impacts communities and individuals.

#RCCGLoveInAction
Why *Christian* & Not *Corporate Social Responsibility*?

CSR has its root in Christianity and the church is meant to be an example for the world to follow and not the other way around.
Why *Christian & Not Corporate Social Responsibility?*

The oldest company (Kongo Gumi Construction) in the world is less than 2000 years – was incorporated 578 AD
The Case For CSR

Heartbeat Of God – CSR is the expression of love being, the heartbeat of God.

The Hurting World - It is about bringing comfort to a hurting world.

Connection To Others - It closes the needs’ gaps in the society.

It is the global standard of rating for corporate organisations.
Sustainable Development Goals

One of the reasons why this office was created is to harmonize all RCCG programs, processes and activities for greater impact.

We have discovered that out of the 17 global sustainable Goals (Vision 2030) signed by 198 nations including Nigeria, RCCG as a faith based organization is active in 13 of these.

This fact is unknown therefore affecting the compliance ratio for Nigeria.

PREVIEW OF JUDGEMENT DAY

31. When the Son of man shall come in his glory, and all the holy angels with him, then shall he sit upon the throne of his glory:

32. And before him shall be gathered all nations: and he shall separate them one from another, as a shepherd divideth his sheep from the goats:

41. Then shall he say also unto them on the left hand, Depart from Me, ye cursed, into everlasting fire, prepared for the devil and his angels:
42 For I was an hungered, and ye gave me no meat: I was thirsty, and ye gave me no drink:
43 I was a stranger, and ye took me not in: naked, and ye clothed me not: sick, and in prison, and ye visited me not.
44 Then shall they also answer him, saying, Lord, when saw we thee an hungered, or athirst, or a stranger, or naked, or sick, or in prison, and did not minister unto thee?
45 Then shall he answer them, saying, Verily I say unto you, Inasmuch as ye did it not to one of the least of these, ye did it not to me.
46 And these shall go away into everlasting punishment: but the righteous into life eternal.

Job 29:12-16

12 Because I delivered the poor who cried, the fatherless and him who had none to help him.

13 The blessing of him who was about to perish came upon me, and I caused the widow’s heart to sing for joy.

14 I put on righteousness, and it clothed me or clothed itself with me; my justice was like a robe and a turban or a diadem or a crown!

15 I was eyes to the blind, and feet was I to the lame.

16 I was a father to the poor and needy; the cause of him I did not know I searched out.
Revelation 14:13
And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them
James 1:27

Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world.

Vision Statement

Your vision should not just be to motivate because motivation only lasts as long as the incentives do.

Your vision should be bold and inspiring because inspiration is a matter of the heart that lasts a lifetime and beyond.
Inspiration creates a burning passion and drive that makes you see a compelling future that gets you committed with your heart, energy, time, resources or skills to drive the dream of the future to reality.
Your vision must inspire them to join a cause. The cause that speaks to their values, a cause bigger than you, something real; something worth living for or dying for.

It was said of the Christians of old that they did not love their lives even unto death (Revelations 12:11). That is the standard.
RCCG VISION

• To make heaven
• To take as many people with us.
• To have a member of RCCG in every family of all nations
RCCG MISSION

• To accomplish No.1 above, holiness will be our lifestyle
• To accomplish No 2 and 3 above, we will plant churches within five minutes walking distance in every city and town of developing countries and within five minutes driving distance in every city and town of developed countries.
• We will pursue these objectives until every nation in the world is reached for the lord Jesus Christ.
It paints a picture of heaven—every believer’s goal. We must make heaven—it is compelling.

But how can you take as many people with you to heaven unless your preaching is practical and relevant to them.

It’s one thing to preach love, it’s another to do love.
The ministry of Jesus was all about caring, sharing, healing, deliverance and setting captives free.

He preached and fed over 5000 and his ministry grew exponentially. He showed love through his actions.

After he fed 5000 people in John 6:10, the next day the people looked for Jesus and entered ships to Capernaum. When he saw them, he told them in v.26 that I know you did not come for the miracles but for food.
Hunger is a leveler – cuts across Religion, Race, Age & Creed

A HUNGRY MAN will not listen to you, and a hungry man CANNOT SHOUT HALLELUYAH
**James 2:14-16**

14 What doth it profit, my brethren, though a man say he hath faith, and have not works? can faith save him?

15 If a brother or sister be naked, and destitute of daily food,

16 And one of you say unto them, Depart in peace, be ye warmed and filled; notwithstanding ye give them not those things which are needful to the body; what doth it profit?
CSR VISION STATEMENT

• To be the global model for meeting the ever evolving socio economic needs.
CSR MISSION STATEMENT

• to express the love of god through visible initiatives that deliver tangible outcomes in societies globally.

INTERNATIONAL REPORTING

• December 2018 50 Million Global Feeding Program

• Only 23 countries out of the 196 reported their outcomes.

• Prepare to participate and report December 2019 50 Million Global Feeding Program.
Nearly 50% of Papua New Guinea’s Children are malnourished in a country like PNG, where around 80% of the country’s estimated 8.5 million people are reportedly living from subsistence agriculture, a pregnant woman may not have access to a diet that’s nutritious for a healthy pregnancy.

More Filipinos experienced involuntary hunger in the third quarter of 2018, according to a survey by the Social Weather Stations (SWS). The survey showed that 13.3% or an estimated 3.1 million families missed a meal at least once in the past quarter. The figure is 3.9 percentage points above the 9.4 percent or 2.2 million families logged in a similar poll in the second quarter of the year. It is the highest recorded since 15.3 percent in December 2017, SWS said.

Thousands of homes on the Northern Mariana Islands of Saipan and Tinian were ripped apart by Super Typhoon Yutu on October 24, 2018. It was the strongest storm to hit U.S. soil since 1955, with maximum sustained winds of 180mph. Thousands of families were suddenly left without basic necessities like shelter, food, electricity, and clean water. Many Christians on the Pacific islands prayed to God for relief.
32% of South African's are at risk of hunger.

Vanuatu is a developing nation of islands in the Pacific Ocean. Hunger Causes Mineral Deficiencies and Lack of micronutrients. Around 38 percent of children under five and 24 percent of women suffer from anemia.
A study in 2017 discovered that 23% of the elderly population in New Zealand were malnourished. Many elderly citizens find it difficult to access the supermarket and purchase groceries. This leads to the inability to cook meals and they end up being hospitalized due to malnourishment. However, once elderly citizens are moved to hospitalization or residential care, they have better access to food and nourishment.

More than 4 million Australians (18%) have experienced hunger in the last 12 months.
One in four parents are skipping meals in order to make ends meet, new figures show, prompting calls for the Government to better measure “hidden hunger” in Britain.

A study published by a coalition of anti-food poverty charities finds 23% of parents with children aged 18 and under skip or see someone in their household skipping a meal due to lack of money for food.
A study in 2017 discovered that 23% of the elderly population in New Zealand were malnourished. Many elderly citizens find it difficult to access the supermarket and purchase groceries. This leads to the inability to cook meals and they end up being hospitalized due to malnourishment. However, once elderly citizens are moved to hospitalization or residential care, they have better access to food and nourishment.

Of the population of nearly 21,000, an estimated 4,939 individuals are affected by poverty in Palau and 1,555 are children. Most of those affected are among the rural population, who rely on small-scale agriculture and fishing for their livelihoods.

Hunger in the Solomon Islands is prevalent despite the abundance of food resources available to the population. Conditions are ideal for agriculture and fisheries are high producing, yet 32.8% of children under the age of five have stunted growth and 8.5 percent have severely low heights for their age.
Despite economic growth, 87 million Indonesians remain vulnerable to food insecurity.

Although Lebanon’s economy has continued to grow, poverty in the country remains relatively prominent. Approximately 30% of the country’s grand total of 6 million people live under $4 a day. Poverty is much higher in the rural regions of the north, while it is less prominent in urban areas like the capital city of Beirut.
A 2004 report by the food and nutrition committee indicated that over 40% of Fiji's children are malnourished. However, Fiji has made great strides to fulfill this first millennium development goal.

In 2013, Fiji among 38 other developing countries were honored by the UN Food and Agricultural Organization for having met part of the target for the goal to eradicate hunger.

According to FAO, estimates in "The State of Food Security and Nutrition in the world, 2018" report, 195.9 million people are undernourished in India.

Poor diet has contributed to the rise in non-communicable disease and 75%-80% death in Samoa.

under nutrition and specific micro-nutrient deficiencies have been the major challenge facing the people of Oman.

Provision of highly nutritious food will help in reducing and ultimately, in eradicating these deficiencies.

According to the World Food Programme, one out of every nine people go to bed on an empty stomach. Of the basic necessities that man needs for life, nourishment ranks second after oxygen. This basic necessity is one of the most scarce resources on earth. The scarcity can be attributed to insufficient resources to acquire, produce or grow food.

Grieved by these numbers, our Father-in-the-Lord, Pastor E.A. Adeboye gave a mandate to feed 50 million. This mandate was shared in March 2018 as a target for the Christian Social Responsibility of RCCG. The CSR arm of this mission is organized and operates from a central point. The central point of the CSR is His Love Foundation, which is headed by the Special Assistant to the General Overseer on Christian Social Responsibility, Pastor Iddowu Hayomade.

Propelled by this mandate, His Love Foundation increased her hunger targeted initiatives. Sixteen daily feeding centers in Lagos are currently feeding hundreds every day without charging them a dime. Inmates of Kirikiri Maximum Prisons in Lagos are also fed every Sunday. As at June 2019, the mandate to feed 50 million has been satisfied as RCCG has served over 60 million meals to people across the world.

Still according to WFP, 795 million people in the world do not have enough food to lead a healthy active life. That’s about one in nine people on earth. This figure runs across both developing and developed countries, although the former can unfortunately boast of a larger percentage. In Australia, more than 4 million people have experienced hunger in the last 12 months, while thirty two percent (32%) of South Africa’s population are at risk of hunger. An alarming 87 million Indonesians are vulnerable to food insecurity while 32 percent of Papuans of Papua New Guinea live below the poverty line. 2.9 million children and women in Yemen are severely malnourished while 40% of Fiji’s children also suffer same. Although conditions seem ideal in Solomon Island, 32.4 percent of the children there suffer stunted growth due to lack of adequate nourishment. An estimated 23.5 percent of Palau’s population suffer from poverty. Nigeria, Guam, Philippines, Kuwait, Vanuatu and New Zealand are some other countries that are battling hunger.

The Redeemed Christian Church of God has made dens in these numbers by providing foodstuffs and provisions to these countries. Below are some of the pictures that show what we have done across the various countries.

• HEAVENLY VISION
• NEVER? Chastisement -FULL COMMITMENT
• A NEW COMMANDMENT OF LOVE (1 JOHN 2 V 8)
CAST THE VISION

Cast a bold vision of what you want to achieve. God says in Proverbs 29:18 that “where there is no vision the people get out of control or perish”. Habakkuk 2:2 says “write the vision down and make it simple for people to understand and implement”. Shared belief/ vision gives us purpose. They have to see and hear constantly. Renew vision: Finishing strong – Project 2020
Every leader is a dreamer but you need to paint the picture of what you see.

You need to inspire not only motivate your target audience to commit.
It’s a cause worth living for and dying for.
It is compelling. Turn it into a slogan –easy to recite and remember

Hislovefdn At the Kirikiri Prisons, we saw a need to provide quality healthcare for the inmates, so we took the step of revamping and equipping the Kirikiri Maximum Prisons Health Centre.

Now, inmates can be properly examined and properly treated in a well-equipped health centre.

His Love Foundation has impacted 98,767 prison inmates to date.
